WHAT WAYPOINT GPS CUSTOMERS ARE SAYING

"Waypoint GPS helps make life in our household so much simpler. We liked it so much we put one on every car! It even alerts us when our kids arrive to or leave school. Knowing we're all safe is what is most important."

"My daughter's new car was stolen when she was away at school and Waypoint GPS helped us recover the vehicle in a matter of hours. Thank you, Waypoint!"

"It's a great GPS device, puts our safety first and foremost! Wouldn't be without it."

Phone: 888-876-3859 • Text messages: 888-876-3859 • Support@WaypointGPS.com

ROADSIDE ASSISTANCE

Benefit from 24/7 roadside support through the mobile app if your car breaks down on the road. Our customer service team will be on standby to help you quickly anywhere in the US.

THEFT RECOVERY

Get one-touch access to our theft recovery specialists via our mobile app who will work with local law enforcement. If your vehicle is NOT recovered, a Monetary Theft Benefit (may vary by dealership) will be applied toward your next vehicle purchase.

ABOUT US

Established in 2015, Waypoint GPS is focused on fostering the very best customer care possible. We provide vehicle and family protection services through our leading-edge technology platform and ensure our customers receive the benefits of a connected world, along with peace of mind for years to come.
