

Vehicle Protection Plan

Protection for Your New or Pre-Owned Vehicle

A range of reliable coverage levels with your needs in mind.

For more than 50 years, Protective Asset Protection has provided vehicle owners the peace of mind they want with the protection they need.

POWERTRAIN COVERAGE

Gasoline/Diesel Engine: all internal lubricated parts, engine block, cylinder head(s), exhaust manifold, expansion plugs, harmonic balancer, intake manifold, mounts, oil pan (excluding drain plug related failures), rotary engine rotor housing, timing belt/chain and tensioner, timing chain cover, valve cover(s), water pump, electric coolant pump, electric oil pump, diesel accessory vacuum pump, lift pump, injectors and injector pump, manufacturer-installed turbocharger(s), bypass valve(s), blow-off valve(s), intercooler and waste gate(s), manufacturer-installed supercharger and intercooler.

Transmission (Automatic, Continuous Variable (CVT), Standard and Transfer Case): all internal/internally lubricated parts, metal cooler lines, mounts, throttle valve cable, torque converter, flywheel/flexplate, transmission and transfer case housing, transmission cooler, oil pan, vacuum modulator, external and internal control unit, automatic electronic clutches.

Drive Axle (Front/Rear/AWD/4 Wheel Drive): all internal lubricated parts within the drive/transaxle assembly and housing, including axles and axle bearings, constant velocity joints, constant velocity boots, drive shaft support, differential case, hub bearings, front hub locking assemblies, drive shaft, universal joints, four wheel drive actuator.

Hybrid Vehicle: hybrid vehicle electric motor assembly, electronic transmission/transaxle assembly, electric traction-drive motor assembly.

Filters, Fluids, Lubricants and Taxes: filters, fluids, lubricants and taxes required to complete a covered repair for any covered part listed above.

Seals and Gaskets: seals and gaskets for all covered parts listed above when subject to a covered repair.

ENHANCED COVERAGE

All items listed under "Powertrain Coverage" above plus the following:

Electrical: alternator, alternator voltage regulator, distributor, including bushings, gear, housing and shaft (excluding cap, rotor and spark plug wires), horns, ignition coils, oil pressure sending unit, main engine wiring harness, ignition module and main electronic control unit, powertrain control module, starter motor, solenoid and starter drive, switches, including manually or mechanically-operated electrical switches, power mirror motor, washer pump motor, front and rear wiper motors.

Fuel: fuel pump, fuel distributor, injectors, metal fuel lines, pressure regulator, rail, fuel tank, fuel tank sending unit, throttle body, idle speed or automatic idle speed assemblies, warm-up regulator.

Cooling and Heating: electric cooling fan motor, blade assembly and fan clutch, radiator, belt tensioner, heater core, thermostat, heater control valve.

Air Conditioning: accumulator, blower motor, compressor, clutch and electric engine, condenser, pulleys and bearings, receiver/dryer, evaporator, orifice tube, POA valve, suction control devices, thermostatic expansion valve, high/low compressor cutoff switch, pressure cycling switch, lines and coils(s), dye, flushing liquids or refrigerant(s) if needed in conjunction with a covered repair.

Brakes: master and power brake cylinders, vacuum assist booster, hydro boost, disc brake calipers, wheel cylinders, compensating valve, hydraulic lines, fittings and control unit, parking brake (excluding handle and cables), electrohydraulic brake system, the following ABS parts: electronic control processor, wheel speed sensors, hydraulic pump/motor assembly, pressure modulator valve/ isolation dump valve and accumulator.

Hybrid Vehicle: hybrid vehicle battery cooling system, including fan, motor and pump, integrated starter generator or belt alternator starter, regenerative braking assembly, electric heater, generator assembly, nickel metal hydride and lithium-ion drive propulsion batteries, covers one (1) battery replacement during the term of this contract.

Seals and Gaskets: seals and gaskets for all covered parts listed above when subject to a covered repair.

PREMIUM COVERAGE

All Covered Parts listed under "Powertrain Coverage" and "Enhanced Coverage" plus the following:

Suspension: ball joints, control arms, torsion bars, mounts and bushings, stabilizer bar, radius arms and bushings, height sensor, mode switch, spindles, coil and leaf springs, strut cartridges, McPherson struts and upper pivot bearing mounting assembly, wheel bearings, wheel seals, electronic level control system.

Steering: all internal lubricated parts within the steering gear and power steering pump, power steering hoses and couplings, electric power steering, including electric motor, sensors and computer module, intermediate shaft and main shaft, steering gear and pump housing, pitman arm, idler arm, tie rod ends, drag link, tilt wheel mechanism, rack-and-pinion gear and housing.

Enhanced Electrical: air conditioning/heating power module, controller and relay, dash control unit/temperature control programmer, manufacturer-installed power antenna motor and mast, manufacturer-installed theft deterrent devices/systems, convertible top motor, cruise control module, electronic servo/transducer, amplifier and adaptive radar system, power door lock actuators/solenoids, head lamp door motors, ignition spark control pick-up sensor, instrument cluster, keyless entry system, power seat motor and transmission, sunroof motor, touch-operated electric switches, trunk lid release actuator and motor, power lift gate motor and power sliding door motor, power window motor assembly.

Electronics: manufacturer-installed hardware and software for infotainment systems, global positioning systems and navigation systems, audio/video/gaming equipment. Coverage is limited to base units. Hand-held remote control devices, wiring and media are specifically excluded from this group of covered parts. Repair or replacement of covered part(s) in this list is limited to one occurrence per part.

Safety: airbag system including inflatable seatbelts (subject to exclusions and other coverage limitations), electronic stability control system, tire pressure monitoring system, backup-sensors, video cameras, TV monitors.

Hybrid Vehicle: hybrid vehicle DC-DC converter, inverter assembly and converter, motor power cable/wiring harness, engine-power control module.

Seals and Gaskets: seals and gaskets for all covered parts listed above when subject to a covered repair.

COMPLETE COVERAGE

Covers all vehicle components listed under Premium Coverage and more. A sample of the additional vehicle components covered are listed below in **RED**. See service contract for specified exclusions.

Gasoline/Diesel Engine: all internal lubricated parts, engine block, cylinder head(s), exhaust manifold, expansion plugs, harmonic balancer, intake manifold, mounts, oil pan (excluding drain plug related failures), rotary engine rotor housing, timing belt/chain and tensioner, timing chain cover, valve cover(s), water pump, electric coolant pump, electric oil pump, diesel accessory vacuum pump, lift pump, injectors and injector pump, manufacturer-installed turbocharger(s), bypass valve(s), blow-off valve(s), intercooler and waste gate(s), manufacturer-installed supercharger and intercooler, Oil cooler, supercharger air control valve, supercharger waste gate, supercharger air bypass valve, serpentine belt tensioner, and air pump.

Transmission (Automatic, Continuous Variable (CVT), Standard and Transfer Case): all internal/internally lubricated parts, metal cooler lines, mounts, throttle valve cable, torque converter, flywheel/flexplate, transmission and transfer case housing, transmission cooler, oil pan, vacuum modulator, external and internal control unit, automatic electronic clutches. Clutch master cylinder, clutch slave cylinder, clutch pedal position switch, shift interlock switch, and transfer case actuator.

Drive Axle (Front/Rear/AWD/4 Wheel Drive): all internal lubricated parts within the drive/transaxle assembly and housing, including axles and axle bearings, constant velocity joints, constant velocity boots, drive shaft support, differential cover, hub bearings, front hub locking assemblies, drive shaft, universal joints, four wheel drive actuator.

Hybrid Vehicle: hybrid vehicle electric motor assembly, electronic transmission/transaxle assembly, electric traction-drive motor assembly, hybrid vehicle battery cooling system, including fan, motor and pump, integrated starter generator or belt alternator starter, regenerative braking assembly, electric heater, generator assembly, hybrid vehicle DC-DC converter, inverter assembly and converter, motor power cable/wiring harness, engine-power control module, nickel metal hydride and lithium-ion drive propulsion batteries, covers one (1) battery replacement during the term of this contract.

Enhanced Electrical: alternator, alternator voltage regulator, distributor, including bushings, gear, housing and shaft (excluding cap, rotor and spark plug wires), horns, ignition coils, oil pressure sending unit, main

WRAP COVERAGE

Factory and/or dealer powertrain warranties are limited to major components. Wrap Coverage is an exclusory level of coverage that is designed to "wrap" around factory and/or dealer powertrain warranties protecting many of the other vehicle components, subject to specified exclusions. A complete list of exclusions appears in the contract. Since the factory and/or dealer powertrain warranty covers the powertrain portion of your vehicle, Wrap Coverage does not cover the following component groups:

- Engine
- Transmission
- Transfer Case
- Drive Axle

*The term of your Wrap Coverage may not coincide with the term of your factory and/or dealer powertrain warranty.

engine wiring harness, ignition module and main electronic control unit, powertrain control module, starter motor, solenoid and starter drive, switches, including manually or mechanically-operated electrical switches, power mirror motor, washer pump motor, front and rear wiper motors, air conditioning/heating power module, controller and relay, dash control unit/temperature control programmer, manufacturer-installed power antenna motor and mast, manufacturer-installed theft deterrent devices/systems, convertible top motor, cruise control module, electronic servo/transducer, amplifier and adaptive radar system, power door lock actuators/solenoids, head lamp door motors, ignition spark control pick-up sensor, instrument cluster, keyless entry system, power seat motor and transmission, sunroof motor, touch-operated electric switches, trunk lid release actuator and motor, power lift gate motor and power sliding door motor, power window motor assembly. Heated glass element switch & relay, oil pressure sender, coolant temperature sensor (gauge), brake light switch, parking brake switch, turn signal & hazard flasher, hazard switch, horn relay, door switch, neutral safety switch, transmission position switch/sensor, transmission speed sensor, transmission temperature sensor/switch, crank & camshaft position sensor, throttle position sensor, vehicle speed sensor, power steering pressure switch, fuel pump relay, knock sensor, cruise control clutch switch, wiper relay, mass air flow sensor, traction control switch, daytime running lamp control unit & relay, fog/dimming lamp relay, seat heater switch, trunk/lift gate switch, seat heaters, hood & trunk lift struts, power seat actuator, keyless entry module, memory position module, power door lock control module, power seat control module, seat heater control module, sunroof/moon roof module, sunroof relay, radio/stereo, and alarm system.

Fuel: fuel pump, fuel distributor, injectors, metal fuel lines, pressure regulator, rail, fuel tank, fuel tank sending unit, throttle body, idle speed or automatic idle speed assemblies, warm-up regulator. Fuel gauge, fuel door release actuator, fuel pump relay, fuel tank vent valve, inertia fuel shutoff switch.

Cooling and Heating: electric cooling fan motor, blade assembly and fan clutch, radiator, belt tensioner, heater core, thermostat, heater control valve. Engine coolant temperature switch, cooling fan motor relay/module, and temperature sensor.

Air Conditioning: accumulator, blower motor, compressor, clutch and electric engine, condenser, pulleys and bearings, receiver/dryer, evaporator, orifice tube, POA valve, suction control devices, thermostatic expansion valve, high/low compressor cutoff switch, pressure cycling switch, lines and coils(s), dye, flushing liquids or refrigerant(s) if needed in conjunction with a covered repair. Air door actuator motor, blower motor resistor, ambient temperature sensor/switch, pressure sensor/switch, refrigerant temperature sensor, and compressor clutch relay.

OPTIONAL COVERAGE

We offer additional coverage for:

- **Business Use**
- **Conversion Units**
Includes base units for electronic audio, video and gaming equipment
- **Mobility Equipment**
Includes chair lift motors and assemblies, electric/hydraulic ramp controls and assemblies, adjustable seating mechanisms, adjustable pedal and steering control mechanisms, hoist and swing-arm mechanisms
- **Air Conditioning** (for Powertrain Coverage only)
- **Snow Plow**

Subject to maximum reimbursement limits and other terms and conditions.

Brakes: master and power brake cylinders, vacuum assist booster, hydro boost, disc brake calipers, wheel cylinders, compensating valve, hydraulic lines, fittings and control unit, parking brake (excluding handle and cables), electrohydraulic brake system, the following ABS parts: electronic control processor, wheel speed sensors, hydraulic pump/motor assembly, pressure modulator valve/ isolation dump valve and accumulator. ABS main relay, brake fluid level sensor/switch, brake fluid pressure sensor/switch, parking brake warning switch, vacuum booster check valve, parking brake release motor, and adjustable brake pedal motor

Suspension: ball joints, control arms, torsion bars, mounts and bushings, stabilizer bar, radius arms and bushings, height sensor, mode switch, spindles, coil and leaf springs, strut cartridges, McPherson struts and upper pivot bearing mounting assembly, wheel bearings, wheel seals, electronic level control system. Strut bar & bushings, torsion bar, and shackle.

Steering: all internal lubricated parts within the steering gear and power steering pump, power steering hoses and couplings, electric power steering, including electric motor, sensors and computer module, intermediate shaft and main shaft, steering gear and pump housing, pitman arm, idler arm, tie rod ends, drag link, tilt wheel mechanism, rack-and-pinion gear and housing. Steering column (internal parts), and steering damper.

Electronics: manufacturer-installed hardware and software for infotainment systems, global positioning systems and navigation systems, audio/video/gaming equipment. Coverage is limited to base units. Hand-held remote control devices, wiring and media are specifically excluded from this group of covered parts. Repair or replacement of covered part(s) in this list is limited to one occurrence per part.

Safety: airbag system including inflatable seat belts (subject to exclusions and other coverage limitations), electronic stability control system, tire pressure monitoring system, backup-sensors, video cameras, TV monitors.

Filters, Fluids, Lubricants and Taxes: filters, fluids, lubricants and taxes required to complete a covered repair for any covered part listed above.

Seals and Gaskets: seals and gaskets for all covered parts listed above when subject to a covered repair.

Additional covered components: Convertible top hydraulic cylinder, canister purge solenoid, EGR valve & control solenoid, and pressure feed back exhaust sensor.

LIMITS AND EXCLUSIONS:

Coverage is subject to deductibles, limits and exclusions. The contract covers repairs only of covered parts and only when they suffer a breakdown as defined in the contract. Under some circumstances, a breakdown of a covered part may not be covered (for example, failure due to misuse or lack of proper maintenance or when a non-covered part is what caused the covered part to fail). Also, the exclusions contain a list of parts not covered, some of which may be associated with a covered part (for example, brake drums, pads and rotors; exhaust pipes, mufflers and catalytic converters; and body and trim items). Please see the service contract for details.
