1. Sell your vehicle in our dealership lot with your phone number and price displayed in or on vehicle.
2. The car will reside there for the number of months paid for and will remain there until sold for those months.
3. We are not responsible for any vandalism or any form of damage that happens to the vehicle while on our lot.
4. The owner of the vehicle is responsible for insurance coverage of their car.
5. Any parts, repairs or clean up done to the vehicle will be at the owner's responsibility, and can be performed here by our technician.
