01. COMPREHENSIVE BACKGROUND CHECK

Before any Preowned Vehicle is offered for sale at our dealership, it must first prove worthy of being on our lot. Every Preowned Vehicle is subjected to a detailed background check to confirm it's never suffered meaningful damage from an accident, fire, flood or other mishap, and that its history and title are issue free.

TITLE CHECK OD

02. MECHANICAL INSPECTION & CERTIFICATION

Once our team is comfortable with a Preowned Vehicle's past, our focus shifts to its present and future condition, as our award winning service department performs a comprehensive bumper-to-bumper vehicle inspection to ensure it's mechanically sound and expected to remain so for years to come.

The following is a partial list of the components and conditions we test prior to certifying the vehicle safe, sound and ready for you and your family to enjoy.

FREQUENTLY ASKED QUESTIONS

Who backs the warranty? Is it just the dealership?

Our warranty is backed by an "A" rated insurance company and administrator. With a solid foundation behind our warranty, you can enjoy total peace-of-mind!

How much does the warranty cost?

Zero. We provide this added coverage on every new vehicle we sell, at no cost to you, as an expression of the confidence we have in our vehicles, and the appreciation we have for you choosing our dealership.

Do I have to do all of my service at your dealership?

your expectations, but you are not required to come here. Just keep your service records for all services performed.

Where am I covered by the warranty?

United States or Canada.

of the vehicle.

Is there any extra maintenance required to maintain the warranty?

No extra maintenance is required. Just follow the Manufacturer's Recommended Maintenance Schedule. Nothing more, nothing less.
