Lyle's Auto was founded in 1987 by David Lyle in Follansbee, WV. In 1987, Mr. Lyle became a licensed auto dealer and began selling cars in front of his gas station on Eldersville Road in Follansbee, WV.

In 1990, Lyles Auto purchased a small piece of land on Route 2 and built a 600 square foot building on it. On average, you could find 10 to 15 used vehicles on this lot.

In 2000, Lyle's Auto purchased a lot just a few hundred feet away on Route 2. There are approximately 8,500 square feet, on 3 acres, under roof where Lyle's currently operates. The average inventory is approximately 75 vehicles. You can find 19 local hardworking employees here, including a Sales Team of 7 and a Service Department Team of 12.
